Antrepo Hizmetleri

Rüzgar; sektöründe bölgesinde lider bir kuruluş olma hedefiyle yola çıkmıştır. Mühendislik hizmetlerimizle müşterilerimizin projelerinde verimlilik artışı ve zaman tasarrufu kazandırmaktayız. Ağır kaldırma operasyonları, genel kargo ve dökme kuru yüklerin tahmil tahliyesinin yanı sıra proje yükleri için yenilikçi ve teknolojik uygulamalar ile nakliye ve montaj hizmetleri sağlayarak sektörde güvenilir bir isim haline gelmiş bulunmaktayız.

Türkiye, Doğu Avrupa ve Orta Doğu bölgesinde güçlü proje referanslarıyla, petrokimya, yenilenebilir enerji, endüstri, tersane ve liman sektörlerine hizmet vermekteyiz. Değerlerimiz arasında iş güvenliğine verdiğimiz önem, iş ortaklarına en iyi çözümleri sunmak, mükemmelliği hedefleme, sürekli gelişime inanmak ve değerlere bağlılık yer almaktadır.

Rüzgar olarak bir şirket için en önemli varlığın insan olduğunun bilincindeyiz. Kıdemli çalışanlarımızın deneyimlerini, endüstrideki son gelişmeler hakkında bilgi sahibi olan yeni jenerasyon bilgisiyle birleştirerek genç, dinamik, güçlü bir ekip ruhu oluşturuyoruz.

Rüzgar has set out with the goal of being a leading organization in its sector and region. With our engineering services, we bring efficiency and time savings to our customers' projects. In addition to heavy lifting operations and handling of general cargo and bulk dry cargoes, we have become a reliable name in the industry by providing transportation and assembly services for project cargoes with innovative and technological applications.

With strong project references in Turkey, Eastern Europe, and the Middle East, we serve the petrochemical, renewable energy, industrial, shipyard, and port sectors. Our values include a strong emphasis on occupational safety, providing the best solutions to business partners, aiming for excellence, believing in continuous improvement, and remaining committed to our values.

At Rüzgar, we are aware that people are the most important asset for a company. By combining the experiences of our senior employees with the knowledge of the new generation who are informed about the latest developments in the industry, we create a young, dynamic, and strong team spirit.
